MMHE also emphasizes our corporate values to our business associates including that of integrity in business dealings. Our employees are required to avoid any conflict between their own interests and the interests of the Company in their dealings with all contractors and suppliers. Any employees found breaching the Company's rules and regulations shall be subjected to disciplinary actions. Equally, we expect the same level of professionalism from all our contractors and vendors in their business relationships with us.

A “**Feedback Box**” has been introduced as an avenue for contractors and suppliers to feedback directly to MD/CEO on any matters besides the day-to-day business correspondences.

Your company shall strictly comply with MMHE's regulations and procedures and adhere to all statutory requirements of the laws of Malaysia.

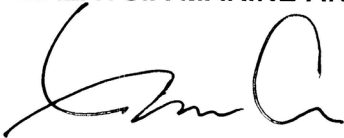

MMHE reserves the right to cancel your registration without giving any reasons due to failure to comply with any of the above conditions and any prevailing procedures of MMHE.

This registration letter is not transferable and you might be requested to show this to authorised officers when dealing with MMHE.

Thank you.

Yours faithfully,
