We wish to stress that your registration does not in anyway constitute an agreement on the part of SDE to issue any enquiries or order to you. The selection of subcontractors/suppliers to receive enquiries or order remains the sole prerogative of SDE and we will not entertain any complaint pertaining to such subject.

This registration is only valid from **21st March 2008** to **20th March 2010**., however we advise subcontractor/supplier to renew your application 3 months prior to expiry date.

Your performance will be appraised from time to time accordance to your performance, field of interest, financial standing, etc. We wish to remind that all subcontractors/suppliers shall uphold highest possible standard of business ethics in dealing with our staff.

Your registration number with SDE is **CR-1581** and will be valid for 2 (two) years only. Please quote the registration number if you have to update your company information.

Please find attached SDE Quality, Health Safety & Environment Policy and strictly adhere to them.

Thank you.

Regards,

ERIC KT TAN
